

The 2024 Funding Circle Bookcase

Philanthropy has shaped the church of St Mary's throughout the centuries, and recognising our current supporters sends an important message to current and future congregants. All members of the 2024 Funding Circle will have their names carved onto their own wooden 'book spine', which will be added to our 2024 Funding Circle Bookcase. An important and visible reminder of our ongoing thanks for the generosity of our community.

TRANSFORMATION PROJECT THE 2024 FUNDING CIRCLE

*Re-shaping this ancient church to
make it more attractive to use for the
whole community and the town as well as
securing the future of this wonderful building
we all hold in such affection*

THE 2024 FUNDING CIRCLE named after the year of the reaffirmation by the PCC in March 2024 of its commitment to the Transformation Project as it stands.

The funds for the project are restricted and if funds are not available, the work will not happen - there is no possibility of the church getting into debt in attempting to deliver the project. The project is entirely reliant on fundraising. The 2024 Funding Circle is aimed at fundraising from the congregation and beyond.

There are three levels of funding:

2024 FOUNDER'S CIRCLE

2024 VICAR'S CIRCLE

2024 MEMBER

To donate to the fund we invite you to become a regular donor and make a gift of either £202.40 or £2,024 or £12,024 through the course of the year. This can be done monthly or annually. In recognition of an annual gift of either £202.40 or £2,024 or £12,024 it will be our pleasure to welcome you into the 2024 Circle.
